### **Business Planning-**

Open position (chairman)

There were no comments at this meeting.

### **Old Business –**

- Scott Wungluck stated that Bill Aiken had donated a laptop for the Division and that we greatly appreciated it.
- Scott also stated that he had bought a computer projector for \$695.00
- Scott mentioned he was still dealing with IAEEI corporate over the tax returns.

### **New Business -**

- Scott Wungluck requested \$100 for purchasing a computer suitcase and Bill Aiken said he had one to donate.
- A question was asked about metal building grounding and bonding. There was some discussion as to the interpretation between the two and jurisdictions seem to be looking at it slightly different after the code change. Everyone seemed to agree that a metal building would either be a grounding electrode or be required to be bonded.

**Lunch- 12:00-1:00**

SOS provided a nice lunch menu.

**Presentation – 1:00-2:00-**

The presentation was on the 2008 Energy requirements for residential lighting and was put on by Gary Flamm from the California Energy Commission

**Contractor/ Inspector time-**

John Fleming asked how many jurisdictions were looking at derating wires for conduit fill and ambient temperature. It appeared it was only being addressed when conduits looked over filled.
