Ray mentioned Jeff Ross had the website back up and Ray gave out the address. It was mentioned there is a question answer forum and other information being added.

Board of Directors-

There was no Board meeting for this month.

Membership-

Paul Nadon (chairman)

Paul was not present at the meeting. There were no comments.

Business Planning-

Ernie McCleary (chairman), Paul Nadon

Ernie was present and no comments were made.

Old Business -

- Scott stated he was still working on the installation dinner and that the presentation plaques were in and looked great.

New Business -

- Mike Hosier, City of Manteca stated Delta College was looking for Electrical instructors in the apprenticeship program.
- Ernie McCleary, Tuolumne County, asked if anyone had dealings with wiring in straw bale construction. The consensus from people that had dealings with it was that non-metallic sheathed cable would be an acceptable method of wiring in their opinions.

Lunch- 12:00-1:00

La Morenita Restaurant provided a nice mexican lunch.

Presentation – 1:00-2:00-

The presentation was from Jon Fairbanks, Power Independence Electric on Solar photovoltaic systems. There was in depth discussion and question answer on the installations.

Contractor/ Inspector time-

John Fleming, Green Electric, asked about GFCI protection in commercial kitchens for appliances and the problems that could arise with refrigeration equipment. It was brought up that each jurisdiction would probably look at this differently.

U.L.-

Ron Payne from U.L. gave out pamphlets on the use of the U.L. white book.

Raffle-

U.L. and the City of Manteca had two great raffle gifts.
