

**International Association of Electrical Inspectors
Yosemite Division
Meeting Minutes
November 18, 2004**

Meeting called to order at 11:35 AM by Chapter President, Dan Kavarian, Stanislaus County.

Pledge of allegiance

Introductions -

Self-introductions followed from the members and guests. (16 in attendance).

Minutes -

Emailed, and made present at the meeting. Approved as written.

Correspondence -

- Scott Wungluck noted that he had sent a get-well card to Gene Langston.
- Paul Nadon announced he was meeting with Mike Holt in San Francisco on December 05, 2004 to acknowledge him for his work with the NEC. Everyone is welcome to attend.
- Paul Nadon mentioned he had received information about a lawsuit in Sacramento where a child was electrocuted on a light post that was installed at a car wash without a permit and was not grounded. Discussion pursued concerning grounding of streetlights and it was brought up that we should mention this to our public works staff if they are inspecting light posts.

Treasurers Report-

Scott Wungluck, City of Ripon, reported;

Checking account:	\$ 750.73
Petty Cash :	\$ 100.00
For a balance of:	\$ 850.73

New Business-

- Scott Wungluck mentioned that he noticed an article in the I.A.E.I. magazine concerning breaker sizes for whirlpool tubs. It was noted many jurisdictions were not aware to look at the pumps for breaker sizing. Some pumps may be rated for 15 amp breakers.

- There was also discussion that furnaces may have the same situation concerning breaker size.
- After Scott discussed how M.I.D. and P.G.&E. have different requirements for the inspection of secondary wires from their transformers it was brought up that it would be good to have a representative at our meetings. Paul stated he was trying to get a representative from P.G.&E. to attend. He asked if someone in the Modesto area work on a M.I.D. representative.

Old Business-

- It was discussed that the secretary should send out the arc fault survey for input. Scott said he would attempt to do this before the next meeting.

Committee Reports-

By-Laws- Scott Wungluck (chairman)

- No changes at this time.

Education- Joe Meath (chairman), Denny Ferreira, Kevin Loch

- Joe Meath was still asking for input on speaker ideas and future seminar interest. Paul Nadon discussed plans for having a 2005 NEC update seminar.

Board of Directors- Dan Kavarian (President)

- Dan stated that the Board of Directors had not met. It was suggested by Paul Nadon that they meet soon and it was needed.

Web-site- Paul Nadon (chairman)

- Paul explained that the committee was busy with other activities and would hopefully have time to get started soon.

Membership- Paul Nadon (chairman) Greg Johnsen

- The membership committee has not met but Paul explained he wants to build the membership through training seminars.

Business Planning- Greg Johnsen (chairman), Paul Nadon

- The business planning committee had not met.

Presentation-

Ron Payne, Underwriters Laboratories Inc. discussed sign listing and installation. Ron handed out several informational handouts and provided a power point presentation. He discussed some of the listing requirements, installation requirements, and some of the highlights on inspection. He discussed field reports for signs requiring on site listing and made a note that we should be reviewing installation instructions on section signs.

Inspector Time-

It was discussed that some contractors are using panels as raceway to run feeds to another panel.

Contractor Time-

No comments.

U.L.-

No comments.

Raffle-

N/A at this meeting

Announcements-

None

Adjourned-

Meeting was adjourned 2:00 PM

Next meeting is December 30,2004

Location – SOS club, 819 Sunset Ave., Modesto, Calif.

Presentation will be by Paul Nadon on Title 24 part three, the difference between the NEC and the California Electrical Code.

Respectfully submitted,

Scott Wungluck,
Secretary for Yosemite Chapter ICC
