Photovoltaics

Ken Baker, electrical engineer and electrical contractor, will put on a presentation on Photovoltaic Systems and NEC Article 690 from an engineer/contractor's perspective.

Mr. Baker teaches classes at Delta College's San Andreas Campus.

This meeting will take place in Turlock at the La Morenita Restaurant located at 226 S. Golden State Blvd. The meeting will start at 11:30 AM. There will not be a Board of Directors meeting prior to the normal lunch meeting.

In 2007, the Yosemite Division in partnership with Aqua Pools of Manteca, will be sponsoring an electrical installation and inspection of swimming pools seminar. Look for further details on this seminar in early 2007.
